

DARTMOUTH-HITCHCOCK
ADVANCED RESPONSE TEAM
(DHART)

HON. ANN M. KUSTER

OF NEW HAMPSHIRE

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Ms. KUSTER of New Hampshire. Madam Speaker, I rise today to honor the 25th anniversary of the Dartmouth Hitchcock Response Team (DHART) based in Lebanon, New Hampshire at Dartmouth-Hitchcock Medical Center, the Granite State's only Level 1 Trauma Center.

Since DHART began operations 25 years ago this month, the program has experienced growth in both requests and completed flights, providing a vital lifesaving service to our region. With operations 24 hours a day, seven days a week, DHART transports adult, pediatric and neonatal patients to appropriate medical facilities throughout New England. The DHART team consists of personnel from both Dartmouth-Hitchcock and aviation professionals from Metro Aviation, providing ground and air medical transportation services in Northern New England. The dedicated DHART team includes communication specialists, flight nurses, flight paramedics, respiratory care practitioners, emergency medical technicians, as well as Metro aviation pilots and mechanics.

On behalf of my constituents in New Hampshire's Second Congressional District, congratulations to Dartmouth-Hitchcock Advanced Response Team on its 25 years of operations—I wish the DHART team all the best in the years to come.

IN HONOR OF NORTH AMERICAN
MATURE PUBLISHERS ASSOCIATION,
INC'S TWENTY-FIFTH AN-
NIVERSARY

HON. LANCE GOODEN

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Mr. GOODEN. Madam Speaker, I include in the RECORD the following Proclamation.

Whereas, the North American Mature Publishers Association, Inc (NAMPA) is celebrating its 25th anniversary on October 13, 2019; and

Whereas, this prestigious association is holding its annual international convention and

anniversary celebration in Memphis, Tennessee, where publishers, editors, staff, and guests of senior/boomer publications from across the United States and Canada will gather for educational and networking sessions; and

Whereas, NAMPA is a non-profit association of 96 member publications in 36 U.S. States, and two Provinces in Canada with more than 4 million mature readers per month with its international headquarters located in Shreveport, Louisiana; and

Whereas, NAMPA's purpose and mission is to help magazines and newspapers that focus on the mature market to improve their quality in terms of design and content, while also increasing revenue; and

Whereas, I wish to officially recognize and honor this outstanding association, its members, officers, and its current Executive Director, Gary L. Calligas, for their ongoing commitment to education and service to mature readers;

Now, therefore, I urge all citizens to support this milestone anniversary.

IN RECOGNITION OF THE TRADI-
TION OF BREAKFAST ON THE
FARM IN MARINETTE COUNTY

HON. MIKE GALLAGHER

OF WISCONSIN

IN THE HOUSE OF REPRESENTATIVES

Tuesday, June 25, 2019

Mr. GALLAGHER. Madam Speaker, I rise today to recognize the tradition of Breakfast on the Farm in Marinette County.

Breakfast on the Farm is an iconic Marinette County tradition that provides the community an opportunity to see first-hand how a dairy farm operates and learn about the significant role the dairy industry plays in Wisconsin's economy. Community members meet dairy farmers, explore the barns and equipment, and enjoy a delicious breakfast prepared on the farm.

I am grateful to Van De Walle Farm for hosting the 2019 Marinette County Breakfast on the Farm. Van De Walle Farm is a multigenerational dairy farm that milks 140 cows daily. In addition, the Van De Walles raise all their young stock and farm about 450 of feed for their cattle. Because of their love of animals and the dairy industry, the Van De Walle Family maintains exceptional cow comfort and health to produce high quality milk. The Van De Walle Family takes great pride in their work and plans on teaching future generations about the industry.

Marinette County Dairy Promotions organizes Breakfast on the Farm by recruiting host farms, sponsors and volunteers to support this popular event. In addition, the organization has a mission to promote agriculture and dairy products at various community events throughout the year across Marinette County.

Madam Speaker, I urge all members of this body to join me in commending the efforts of Breakfast on the Farm to educate the community through this time-honored tradition. Thank you to the Van De Walle Family, Marinette County Dairy Promotions, and all the sponsors

and volunteers for their continued support of Wisconsin's dairy industry.

COMMERCE, JUSTICE, SCIENCE,
AND RELATED AGENCIES APPROPRIATIONS ACT, 2020

SPEECH OF

HON. KENDRA S. HORN

OF OKLAHOMA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 19, 2019

The House in Committee of the Whole House on the state of the Union had under consideration the bill (H.R. 3055) making appropriations for the Departments of Commerce and Justice, Science, and Related Agencies for the fiscal year ending September 30, 2020, and for other purposes:

Ms. KENDRA S. HORN of Oklahoma. Madam Chair, I rise to speak on the Amendment offered by Mr. BABIN.

I thank the gentleman for his interest in commercial space and for the opportunity to work with him on the Space and Aeronautics Subcommittee of the Committee on Science, Space, and Technology, which I chair and on which he serves as Ranking Member.

The gentleman's amendment concerns the organization of space activities within the Department of Commerce and its National Oceanic and Atmospheric Administration (NOAA).

My concern with this amendment is that it should be considered in the authorizing committee of jurisdiction through its work on commercial space.

Reorganizing space activities in the Federal government shouldn't be something slipped into an appropriations bill. Those decisions should be evaluated and considered by the Committee of jurisdiction—the Committee on Science, Space, and Technology.

There are multiple stakeholders involved in commercial space activities, including Federal government agencies, commercial providers, users of commercial space activities, and partnerships among the various stakeholders.

Their views on the current state of commercial space activities and regulations should inform policy going forward as should the perspectives of the Federal government agencies involved working on commercial space-related activities.

How Federal agencies are organized to carry out their roles and responsibilities related to commercial space is the work of the Space and Aeronautics Subcommittee and I plan to engage the Subcommittee on these and other important commercial space matters.

The Members of the Subcommittee and the full Science Committee expect to be involved in matters regarding the future of space activities within the Federal government. Changing important policy affecting many stakeholders in a multi-agency spending bill may have unintended consequences. Such changes should be addressed through the committee of jurisdiction where they can be debated and reviewed in the light of day. I hope that this provision will be removed from the appropriations bill before it goes to the President.
